Phonographic Performance (Ireland) Company Limited by Guarantee

Directors' report For the financial year ended 31 December 2022

The directors present their annual report and the audited financial statements for the financial year ended 31 December 2022.

PRINCIPAL ACTIVITIES

The principal activity of the company is the collection and distribution of licence fees for the broadcasting, cable transmission, dubbing and public performance of sound recordings on behalf of its members. The company also makes payments to performers on behalf of its members.

BUSINESS REVIEW

Phonographic Performance (Ireland) Company Limited by Guarantee had a successful year in 2022.

Collections have grown and the cost of collection and distributions have fallen slightly. This has resulted in increased distributable income for both members and performers. The directors believe this leaves the Company well placed to build on this year's success going forward..

RESULTS AND DIVIDENDS

The income, expenditure and distribution account and balance sheet for the financial year ended 31 December 2022 are set out on pages 7 and 8. The revenue available for distribution to member companies before taxation amounted to €6,267,806 (2021 - €4,121,431).

There were no dividends paid during the year.

DIRECTORS

The directors who served during the financial year were:

Dennis Woods (resigned 8 December, 2022)

Annette Donnelly

William Kavanagh

Priscilla Kotey

Mark Crossingham

Alan Hennessy

Alan Hennessy will be retiring from the board by rotation.

ACCOUNTING RECORDS

The measures taken by the directors to ensure compliance with the requirements of Sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at 63 Patrick Street, Dun Laoghaire, Co. Dublin.

Phonographic Performance (Ireland) Company Limited by Guarantee

Directors' report (continued) For the financial year ended 31 December 2022

FUTURE DEVELOPMENTS, PRINCIPAL RISKS AND UNCERTAINTIES

Phonographic Performance (Ireland) Company Limited by Guarantee will continue to make collections for its members and to distribute the licence fees collected in a timely manner. The directors while aware of the company's exposure to the ongoing difficulties of many of its customers will endeavour to protect and maximise all its future revenue streams.

The company is currently in dispute with Recorded Artists Actors Performers Company Limited by Guarantee (RAAP).

RAAP issued proceedings against PPI, involving the definition of a "qualifying performer/performance" as set out in the Copyright and Related Rights Act 2000. The matter went to the Court of Justice of the European Union (CJEU) which held that Irish Law should not have qualifying provisions. The existence of qualifying provisions in Irish Law meant that certain non-Irish and non-EU performers/performance were not paid equitable remuneration by PPI and this was reflected in a split of distributable revenue which favoured PPIs members. The CJEU decision meant that Irish Law should be changed to reflect this and PPI immediately asked the Irish Government to change the law – as PPI has always followed Irish Law and will continue to do so. The EU Commission however is considering changing the law for all EU countries and it is possible that EU law could be changed back to the position it was prior to the CJEU decision. PPI is accordingly awaiting legislation from either or both of the EU Commission/Irish Government. Because of this it is not clear how the split of distributable revenue will be affected and if the split is to be affected it is not clear when any change will take place.

The company continues to work closely with its agent the Irish Music Rights Organisation Company Limited by Guarantee to maximise public performance collections.

STATEMENT ON RELEVANT AUDIT INFORMATION

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditors are aware of that information.

POST BALANCE SHEET EVENTS

There have been no significant events affecting the company since year end.

AUDITORS

The auditors, BDO, continue in office in accordance with section 383(2) of the Companies Act 2014.

This report was approved by the board and signed on its behalf.

Director

Date: 17 November 2023

**Directors' responsibilities statement
For the financial year ended 31 December 2022**

The directors are responsible for preparing the Directors' report and the financial statements in accordance with Irish law and regulations.

Irish company law requires the directors to prepare the financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date, of the profit or loss for that financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Phonographic Performance (Ireland) Company Limited by Guarantee

Independent auditors' report to the members of Phonographic Performance (Ireland) Company Limited by Guarantee

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Phonographic Performance (Ireland) Company Limited by Guarantee (the 'company') for the financial year ended 31 December 2022, which comprise the Statement of comprehensive income, the Balance sheet, the Statement of changes in equity and the notes to the financial statements, including a summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued in the United Kingdom by the Financial Reporting Council.

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2022 and of its profit for the financial year then ended;
- have been properly prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion

Phonographic Performance (Ireland) Company Limited by Guarantee

Independent auditors' report to the members of Phonographic Performance (Ireland) Company Limited by Guarantee (continued)

on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON THE OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the company. We have nothing to report in this regard.

RESPECTIVE RESPONSIBILITIES

RESPONSIBILITIES OF DIRECTORS FOR THE FINANCIAL STATEMENTS

As explained more fully in the Directors' responsibilities statement on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Phonographic Performance (Ireland) Company Limited by Guarantee

Independent auditors' report to the members of Phonographic Performance (Ireland) Company Limited by Guarantee (continued)

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: <https://www.iaasa.ie/Publications/Auditing-standards>. This description forms part of our Auditors' report.

THE PURPOSE OF OUR AUDIT WORK AND TO WHOM WE OWE OUR RESPONSIBILITIES

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Phonographic Performance (Ireland) Company Limited by Guarantee

Notes to the financial statements For the financial year ended 31 December 2022

1. GENERAL INFORMATION

Phonographic Performance (Ireland) Company Limited by Guarantee is a private company limited by guarantee, incorporated in the Republic of Ireland. The Registered Office is 63 Patrick Street, Dun Laoghaire, Co. Dublin, which is also the principal place of business of the company. The nature of the company's operations and its principal activities are set out in the directors' report on page 1.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 GOING CONCERN

The directors report sets out the principal activities, business review and principal risks and uncertainties. Taking account of all these factors the directors, having reviewed forecasts, are satisfied the company has adequate resources and cashflow to sustain it for the foreseeable future. Based on this analysis, the directors believe the going concern basis of accounting is still appropriate.

2.3 REVENUE

Licence fee income which excludes value added tax, represents the invoiced value, and is recognised evenly over the period of the licence term.

In the absence of an invoice, broadcasting and other income is accrued based on the amount agreed in the contract.

Public performance fees, broadcasting fees and other income are accounted for on combination of an accruals and cash basis. Interest and investment income received are accounted for under the accruals basis.

2.4 TANGIBLE FIXED ASSETS

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The company adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the company. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Notes to the financial statements
For the financial year ended 31 December 2022

2. ACCOUNTING POLICIES (CONTINUED)

2.4 TANGIBLE FIXED ASSETS (continued)

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful lives range as follows:

Long-term leasehold property	- 8 years
Fixtures and fittings	- 8 years
Computer equipment	- 3 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

2.5 OPERATING LEASES: THE COMPANY AS LESSEE

Rentals paid under operating leases are charged to profit or loss on a straight-line basis over the lease term.

2.6 DEBTORS

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.7 Deferred contract costs

Contact costs are recognized using the cost model. After recognition, deferred contract costs are released to the profit and loss account over the period in which it is anticipated these costs are recovered.

2.8 CASH AND CASH EQUIVALENTS

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.9 FINANCIAL INSTRUMENTS

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or in case of an out-right short-term loan that is not at market rate, the financial asset or liability is

**Notes to the financial statements
For the financial year ended 31 December 2022**

2. ACCOUNTING POLICIES (CONTINUED)

2.9 FINANCIAL INSTRUMENTS (continued)

measured, initially at the present value of future cash flows discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost, unless it qualifies as a loan from a director in the case of a small company, or a public benefit entity concessionary loan.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the balance sheet date.

Financial assets and liabilities are offset and the net amount reported in the Balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.10 CREDITORS

Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.11 FINANCE COSTS

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.12 PENSIONS

Defined contribution pension plan

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Balance sheet. The assets of the plan are held separately from the company in independently administered funds.

2.13 INTEREST INCOME

Interest income is recognised in profit or loss using the effective interest method.

Phonographic Performance (Ireland) Company Limited by Guarantee

**Notes to the financial statements
For the financial year ended 31 December 2022**

**3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION
UNCERTAINTY**

The preparation of financial statements in conformity with FRS 102 requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period.

4. TURNOVER

An analysis of turnover by class of business is as follows:

	2022	2021
	€	€
Broadcasting fees	5,040,783	4,175,103
Broadcasting fees dubbing	899,319	736,758

Distribution reserve	1,009,346	811,015
Amounts owed to performers	5,905,655	5,295,943
Taxation and social security	338,733	239,904
Other creditors	339,037	246,364
Accruals	201,029	497,048
Deferred income	1,027,957	639,961
	8,875,062	7,781,682

Included in amounts due to performers are allocations for 2013, 2014 and 2015 based on an estimated non-qualifying percentage. The non-qualifying percentage forms part of the calculation to determine the split of the distributable income between performers and members.

Amounts due to performers also includes a reserve for supplementary remuneration due pursuant to the EU term of protection of copyright and certain related rights (Directive 2011/77/EU) Regulations 2013.

12. FINANCIAL INSTRUMENTS

	2022	2021
	€	€

**Notes to the financial statements
For the financial year ended 31 December 2022**

13. RESERVES

Distribution reserve

Distribution Reserve represents funds allocated to Performers on tracks which as of yet are unmatched to a recording rights holder.

Member companies' account

The directors of the company and parties related to them, which include the recording companies whose interests the directors represent, are entitled, as are all member companies, to payments representing the fees received from the performance of copyright works.

The payments to the member companies represented by the directors are calculated and paid on an identical basis as the payments for all the member companies.

During the year ended 31 December 2022 €3,122,507 (2021 - €2,923,583) was paid to member companies whose interests were represented by the directors of the company.

14. LIABILITY OF MEMBERS

The liability of the members is limited. Every member of the company undertakes to contribute to the assets of the company, in the event of the same being wound up while he/she is a member or within one year after he/she ceases being a member, for payment of the debts and liabilities of the company contracted before he/she ceases to be a member and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, such amount as may be required not exceeding €1.

15. COMPANY STATUS

The company is limited by guarantee and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding €1 towards the assets of the company in the event of liquidation.

16. CONTINGENT LIABILITIES

The Company had no contingent liabilities at the financial year end.

17. PENSION COMMITMENTS

The Company operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the Company in an independently administered fund. The pension cost charge represents contributions payable by the Company to the fund and amounted to €15,075 (2021 - €17,343). Contributions totalling €Nil (2021 - €Nil) were payable to the fund at the balance sheet date.

Phonographic Performance (Ireland) Company Limited by Guarantee
